

Instructor Potential Recommendation

To register for an AHA Instructor Course, an Instructor Candidate must demonstrate knowledge and skills along with integrity and professionalism! Instructor candidates may demonstrate the above traits in one or more of three ways: Check box(s) that apply.

1. Recognized performance during an AHA provider course.
2. Recognized performance during a screening process.
3. Demonstrated exemplary performance of provider skills under direct observation.

Date of recognized performance: _____

Location: _____

A recommendation of Instructor Potential is not to be taken lightly and strong consideration must be made before this endorsement is made. If you feel strongly, that the below individual would be a quality AHA Instructor and should be considered for AHA Instructor Potential, please complete this form.

I verify that _____ has demonstrated the knowledge, skills and abilities required to become an AHA Instructor Candidate and should be considered for a future AHA Instructor Course.
